## CEE FORM SWITCHGEAR

# Australia's largest stockists of CEE Form Switchgear

CEE is an international standard from the International Electrotechnical Commission (IEC) for "plugs, socket-outlets and couplers for industrial purposes".

IEC CEE Form is commonly used for industrial applications in most countries.

As one of the largest suppliers of CEE Form in Australia, Powersafe Products offer a wide range of switchgear, including the reefer series. High quality, industrial strength, at market leading prices.
